

## The Anne O'Hara Gift of Music

Born into a musical family in Stanley, New Brunswick, on March 11, 1936, Anne was the fifth of fifteen children. While they lacked a lot of material things, they possessed a wealth of talent and their lives were enriched by the priceless gifts of music they shared. Anne's love of music remained strong throughout her lifetime, and it continues to play an important role in uniting our family and friends.

Music has the power to bring people together from around the world and across generations. It has the power to heal and inspire, and create magical moments of shared joy. It's a gift that is precious, priceless and timeless.

The goal of **"The Anne O'Hara Gift of Music"** is to enable and support emerging artists to share their gift of music for years to come and, in so doing, bring people together to experience the shared joy, inspiration and healing power of music. The many notes and lyrics, and melodies and harmonies that follow, are a tribute to a life well lived.

To that end, we are honoured to extend **"The Anne O'Hara Gift of Music"** to **Write On!** in her memory. We sincerely hope it's a gift that keeps on giving!
